

THE MUNICIPALITY OF

KINCARDINE

great energy. balanced life.

EXPLOSIONS

Fuels such as natural gas and propane are explosive hazards. They have a distinctive smell.

If you smell gas, take action immediately.

- open windows and doors to let fresh air in, leave the building and call 9-1-1
- do not turn electrical switches or appliances on or off and do not use lighters or matches.

If you hear a hissing sound get to a safe distance immediately and call 9-1-1.

Propane Safety

- use care when transporting, storing and connecting propane tanks
- do not store propane tanks indoors
- if you have a large capacity propane tank at home or a cottage for indoor gas fireplaces and appliances have it inspected regularly for safety.
