PROJECT NO. 18043
July 13, 2022

PUBLIC NOTICE

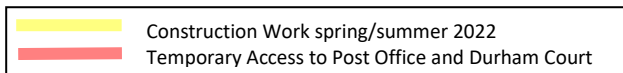

DURHAM STREET RECONSTRUCTION

Due to the impactful nature of the proposed construction, access to the affected section of Durham Street will be limited to local traffic only with intermittent closures as required from time to time to complete the infrastructure upgrades. It is recommended that, when possible, an alternative walking route be taken.

When Durham Street is closed between Queen Street and Huron Terrace, access to the businesses along the north side of Durham Street, from the Post Office to Queen Street, will be temporarily impacted. Traffic to Durham Court, No. 281 Durham Street, are asked to use the entrance off of Durham Street for as long as possible. When access off of Durham Street is no longer possible, traffic is asked to detour through the private lane between the Hawg's Breath Saloon and H&R Block off of Queen Street. The privately owned parking lots will be open for vehicular & pedestrian traffic. Please follow the posted signage.

Emergency Services will be made aware of the works and the contractor and Municipality will notify them when specific locations are under construction.

If you have any questions or concerns about this project, please do not hesitate to contact the infrastructure team.

Yours truly,
Adam Weishar, C.E.T.
Director of Infrastructure and Development
