I) Questions and Answers:

The following questions have been received, with the responses noted below. All information provided below forms part of the Bid solicitation document and is deemed to be included in your Bid.

Q1: On the Merx site, there isn't a location to submit the bid. Are bids to be submitted directly to yourself? Or the tenders@kincardine.ca email?

A1: The bids are to be submitted to tenders@kincardine.ca.

Q2: In the provided specifications on page 18 Part 3: Contract. The RFX Title/Number reads: Connaught Park Lighting CS-2024-10. For this tender, does a new page need to be issued with the correction? Or is the error more N/A, as the contract comes upon the award?

A2: That section serves as a sample contract. The final contract will be issued following the award notice.

Q3: For the bid form to submit, from pages 36-44 is all listed as Schedule 1: Bidder's Workbook. However, on page 36 (or page 1 of the bid form) it states the following; *“Bidders must complete the table(s) below and submit this completed form as their Financial Bid. The completed form should be submitted as a single .pdf file and **submitted as a standalone form**, separate from the Technical Bid and other forms”*. Should we submit just that page, separate from the rest of the pages listed as Schedule 1: Bidder's Workbook, or keep them all together as a package?

A3: The completed Financial Bid form should be submitted separately.

II) RFx Revisions:
