INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of The Corporation of the Municipality of Kincardine:

Opinion

We have audited the consolidated financial statements of The Corporation of the Municipality of Kincardine (the Entity), which comprise:

- the consolidated statement of financial position as at December 31, 2024
- the consolidated statement of operations for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at December 31, 2024, and its consolidated results of operations, its consolidated changes in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Page 2

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Entity's internal control.

Page 3

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the
 financial information of the entities or business units within the group as a basis for forming an
 opinion on the group financial statements. We are responsible for the direction, supervision and
 review of the audit work performed for the purposes of the group audit. We remain solely
 responsible for our audit opinion.

Notes to Consolidated Financial Statements

Year ended December 31, 2024

The Corporation of the Municipality of Kincardine (the "Municipality") is a municipality in the Province of Ontario, Canada. The Municipality provides services such as fire, public works, planning, parks and recreation, library and other general government operations.

1. Significant accounting policies:

(a) Management Responsibility:

The consolidated financial statements of the Municipality of Kincardine are prepared by management in accordance with Canadian generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant accounting policies adopted by the Municipality are as follows:

(b) Basis of consolidation:

These consolidated statements include the activities of all committees of Council and the following boards, municipal enterprises and utilities which are under the control of Council:

Kincardine Police Services Board

Kincardine Business Improvement Area

All interfund assets and liabilities and sources of financing and expenditures have been eliminated.

Government business enterprises are separate legal entities which do not rely on the Municipality for funding. Investments in government business enterprises are accounted for using the modified equity method. The Municipality accounts for its 100% ownership interest in Bruce Telecom Holdings Inc. ("Bruce Telecom") as a government business enterprise.

Under PSAB standards, the Municipality reports only its share of assets, liabilities and results of operations of any government partnerships in which it participates. The Municipality's proportionate interest of the following government partnerships are reflected in the consolidated financial statements:

Saugeen Mobility and Regional Transit ("SMART") 12.30%

Bruce Area Solid Waste Recycling ("BASWRA") 17.99%

(c) Basis of accounting:

The Municipality follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

1. Significant accounting policies (continued):

(d) Long-term investments:

Investments consist of bonds and debentures and are recorded at amortized cost. Discounts and premiums arising on the purchase of these investments are amortized over the term of the investments. When there has been a loss in value that is other than temporary decline, the amount of the loss is reported in the statement of operations and adjusted through the statement of remeasurement gains and losses.

The Municipality accounts for its 13.5% ownership interest in Westario Power Inc. as a long-term investment.

(e) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land and landfill sites, is amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful Life - Years
Land Improvements Buildings	10 - 15 years 10 - 50 years
Equipment Vehicles Roads and Bridges	3 - 50 years 7 - 20 years 15 - 80 years
Water and Sewer Systems	15 - 80 years

Asset retirement obligations are amortized using the same basis and useful life as the underlying asset.

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the assets is available for productive use.

(i) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(ii) Natural resources:

Natural resources that have not been purchased are not recognized as assets in the consolidated financial statements.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

1. Significant accounting policies (continued):

- (e) Tangible capital assets (continued):
 - (iii) Works of art and cultural and historic assets:

Works of art and cultural and historic assets are not recorded as assets in these consolidated financial statements.

(iv) Interest capitalization:

The Municipality does not capitalize interest costs associated with the acquisition or construction of a capital asset.

(v) Leased tangible capital assets:

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(f) Deferred revenue:

Deferred revenue represents grants, user charges and fees which have been collected, but for which the related services have yet to be performed. These amounts will be recognized as revenues in the fiscal year the services are performed.

(g) Post-employment benefits:

The contributions to the Ontario Municipal Employers Retirement System (OMERS), a multiemployer defined benefit pension plan, are expensed when contributions are due.

The cost of post-employment benefits are recognized when the event that obligated the Municipality occurs; costs include projected future income payments, health care continuation costs and fees paid to independent administrators of these plans, calculated on a present value basis.

The cost of pensions and other retirement benefits is actuarially determined using the projected benefits method prorates on service and management's best estimate of retirement ages of employees, salary escalation, expected health care costs and plan investment performance. Any actuarial gains or losses from changes in assumptions are amortized over the average remaining service period for active employees.

(h) County and school board:

The Municipality collects taxation revenue on behalf of the school boards and the County of Bruce. The taxation, other revenues, expenses, assets and liabilities with respect to the operations of the school boards and the County of Bruce are not reflected in these financial statements.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

1. Significant accounting policies (continued):

(i) Trust funds:

Trust funds and their related operations administered by the Municipality are not included in these consolidated financial statements.

(i) Government transfers:

Government transfers are recognized in the consolidated financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made.

(k) Revenue recognition:

User fees and other revenues are recognized when related goods or services are provided and collectability are reasonably assured.

Investment income earned on surplus funds (other than obligatory reserve funds) are reported as revenue on the daily accrual basis. Investment income earned on obligatory reserve funds is recorded directly to each fund balance.

(I) Taxation and related revenues:

Property tax billings are prepared by the Municipality based on assessment rolls issued by the Municipal Property Assessment Corporation. Tax rates are established annually by Municipal Council, incorporating amounts to be raised for local services. A normal part of the assessment process is the issue of supplementary assessment rolls, which provide updated information with respect to changes in property assessment. Once a supplementary assessment roll is received, the Municipality determines the taxes applicable and renders supplementary tax billings. Taxation revenues are recorded at the time tax billings are issued.

Assessments and the related property taxes are subject to appeal. Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs.

For property taxes, the taxable event is the period for which the tax is levied. Taxes receivable are recognized net of allowance for anticipated uncollectible amounts.

The Municipality is entitled to collect interest and penalties on overdue taxes. These revenues are recorded in the period the interest and penalties are levied.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

1. Significant accounting policies (continued):

(m) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating provisions for accrued liabilities, landfill closure and post-closure liability, actuarial valuations of employee future benefits, and the historical cost and useful lives of tangible capital assets.

Actual results could differ from these estimates.

(n) Financial instruments:

The Municipality classifies all of its financial instruments at amortized cost. The maximum exposure to credit risk is the carrying value of the financial instruments. These financial instruments include cash, taxes receivable, trade and other receivables, long-term investments, loans receivable, accounts payable and accrued liabilities, and long-term liabilities. All financial instruments are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the statement of operations and any unrealized gain is adjusted through the statement remeasurement. As all financial instruments are measured at cost or amortized cost, there have been no re-measurement gains or losses and the statement of remeasurement has been excluded.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instrument.

(o) Held-for-sale:

Assets held for sale are those expected to be sold within one year. They are valued at the lower of cost or expected net realizable value. When a decline in net realizable value is determined to be other than temporary, the impairment is recognized in the consolidated statement of operations and accumulated surplus.

(p) Asset retirement obligations:

An asset retirement obligation is recognized when, as at the financial reporting date, all of the following criteria are met:

- (i) There is a legal obligation to incur retirement costs in relation to a tangible capital asset and other contract obligations;
- (ii) The past transactions or events giving rise to the liability has occurred;

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

1. Significant accounting policies (continued):

- (p) Asset retirement obligations (continued):
 - (iii) It is expected that future economic benefits will be given up; and
 - (iv) A reasonable estimate of the amount can be made.

The asset retirement obligation is based on management's best estimate of the expenditures to settle the obligation.

The liability for closure of operational sites and post-closure care relating to landfill sites has been recognized based on estimated future expenses. This liability is discounted using a present value calculation, and adjusted yearly for accretion expense where there is a known retirement date. The liability for the removal of asbestos in buildings has also been recognized based on estimated future expenses on closure of the site and post-closure care. The recognition of a liability results in an accompanying increase to the respective tangible capital assets.

2. Adoption of new accounting standards:

- (a) The Municipality adopted the following accounting standards applicable for fiscal years beginning April 1, 2023:
 - (i) PS 3400 Revenue establishes standards on how to account for and report on revenue, specifically differentiating between transactions that include performance obligations (i.e., the payor expects a good or service from the public sector entity), referred to as exchange transactions, and transactions that do not have performance obligations, referred to as non-exchange transactions.
 - (ii) PSG-8 Purchased Intangibles provides guidance on the accounting and reporting for purchased intangible assets that are acquired through arm's length exchange transactions between knowledgeable, willing parties that are under no compulsion to act.
 - (iii) PS 3160 Public Private Partnerships (P3s) provides specific guidance on the accounting and reporting for public private partnerships between public and private sector entities where the public sector entity procures infrastructure using a private sector partner.

There was no impact on the financial statements of the Municipality as a result of the adoption of these standards.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

3. Cash:

	2024	2023
Unrestricted Restricted	\$ 52,189,979 5,357,516	\$ 47,897,062 4,199,010
	\$ 57,547,495	\$ 52,096,072

The Municipality has internally and externally restricted funds that are segregated and will be used only for specific purposes.

Interest is earned on bank balances at the bank's monthly average prime rate less 1.5%, subject to a rate cap based on the average monthly 30 day banker's acceptance rate less 0.1%. The Municipality's bank accounts are all held at one financial institution.

4. Long-term investments:

	2024	2023
Fixed income bonds, mutual funds and investment certificates	\$27,781,675	\$ 4,769,213

The other investments in fixed income bonds, mutual funds and investment certificates have a market value of \$27,475,463 (2023 - \$4,631,683) at the end of the year. They earn interest at rates ranging from 1.37% to 5.80% and mature in 2025 through 2027. The mutual funds include money market and bond funds.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

5. Investment in Westario Power Inc.:

The Municipality owns 1,348 common shares, representing 13.5% of the outstanding common shares of Westario Power Inc., a private company incorporated under the laws of the Province of Ontario. The shares have no fixed maturity dates and are generally not exposed to interest rate risk. The fair value of these shares is not practicable to determine in the absence of published market quotations. Dividends of \$53,907 (2023 - \$53,907) were received on these shares during the year.

The investment in Westario Power Inc. is comprised of the following:

	2024	2023
1,348 common shares	\$ 2,462,224	\$ 2,462,224

6. Investment in Bruce Telecom Holdings Inc.:

The Municipality sold its shares in Bruce Telecom for \$32.65 million subject to closing adjustments with a closing date of March 28, 2024.

Subsequent to year end the Municipality received an additional contingent amount of \$500,000 and an additional \$500,000 remains contingently receivable. Neither amounts are included in the calculation of the proceeds and loss on disposal of Bruce Telecom for the year ended December 31, 2024.

The investment in Bruce Telecom is comprised of the following:

		2024	2023
3,100 common shares	\$	_	\$ 2,519,573
Net assets contributed	•	_	29,621,582
Tangible capital assets received		-	(3,826,257)
Change in accounting policy		-	(114,816)
Share of net income since acquisition, net of dividends and other adjustments		-	6,643,009
	\$	-	\$ 34,843,091

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

6. Investment in Bruce Telecom Holdings Inc. (continued):

The following table provides condensed financial information with respect to Bruce Telecom:

	2024	2023

The net book value of tangible capital assets not being amortized because they are under construction (or development or have been removed from service) is \$5,887,090 (2023 - \$3,602,180).

Contributed infrastructure capital assets of \$1,024,500 (2023 - \$363,242) were recognized in the financial statements during the year.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

9. Temporary borrowings:

The Municipality has an undrawn operating line of credit of \$3,000,000 that bears interest at the bank's prime rate less 0.50%. This facility is secured by a current borrowing by-law.

10. Long-term liabilities:

The balance of long-term liabilities reported on the consolidated statement of financial position is made up of the following:

	2024	2023
Loan payable, Real Term Energy, 4.47%, payable interest and principal monthly, due September 2025	\$ 109,745	\$ 247,603
Loan payable, Ontario Infrastructure & Lands Corporation, 2.12%, interest and principal payable semi-annually, due September 2025	197,556	390,989
Loan payable, Ontario Infrastructure & Lands Corporation, 2.48%, interest and principal payable semi-annually, due July 2025	36,221	71,561
Tile drain debentures payable, 6%, payable interest and principal annually, due 2023 through 2025	6,888	18,637
Loan payable, Ontario Infrastructure & Lands Corporation, 2%, interest and principal payable semi-annually, due	0.000.007	0.400.004

floating rate, interest payable monthly Loan payable, Ontario Infrastructure & Lands Corporation, floating rate, 4.42% interest and principal payable	2,626,000	1,826,000
semi-annually, due 2023 through 2042 Loan payable, Ontario Infrastructure & Lands Corporation,	7,470,000	7,885,000
5.31%, interest and principal payable monthly, due 2023 through 2043	4,413,725	4,545,806
	\$ 17,144,042	\$ 17,389,527

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

10. Long-term liabilities (continued):

Principal payments estimated for the next 5 fiscal years and thereafter, if not demanded, are as follows:

2025	\$ 1,516,356
2026	1,193,340
2027	1,221,807
2028	1,251,396
2029	1,282,153
Thereafter	10,678,990
	\$ 17,144,042

11. Asset retirement obligations:

(a) Landfill obligation:

The Municipality owns and operates two active landfill site and owns and monitors four closed landfill sites. The liability for the closure of operational sites and post-closure care has been recognized under *PS 3280 Asset Retirement Obligations*. The costs were based upon the presently known obligations that will exist at the estimated year of closure of the sites and for 25 years post this date. The active sites have a remaining capacity of approximately 525,407 m³ and have an estimated life expectancy of 75 and 42 years. These costs were discounted to December 31, 2024 using a discount rate of 3.34%. Solid waste landfill closure and post-closure costs are funded through the Municipality's annual budget.

(b) Asbestos obligation:

The Municipality owns and operates buildings that are known to have asbestos. Following the adoption of *PS3280 Asset Retirement Obligations*, the Municipality recognized an obligation relating to the removal and post-removal care of the asbestos in these building as estimated at January 1, 2022. The buildings have an estimated useful life of 50 years.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

11. Asset retirement obligations (continued):

(b) Asbestos obligation (continued):

The transition and recognition of asset retirement obligations involved an accompanying increase to the Buildings and Landfill capital assets and the restatement of prior year numbers (see note 2). Changes to the asset retirement obligations in the year are as follows:

Asset retirement obligations	Landfill closure	Asbestos removal	W	Vater and astewater mmission	Balance at December 31, 2024

SMART is a partnership between the Town of Hanover, the Town of Saugeen Shores, Municipality of Brockton, Municipality of West Grey, Municipality of Arran-Elderslie, Township of Southgate, Township of Huron Kinloss, Municipality of Grey Highlands, Township of Chatsworth, and the Municipality of Kincardine to provide transportation services to the physically disabled.

BASWRA is a partnership between the Town of South Bruce Peninsula, the Municipality of Arran-Elderslie, the Town of Saugeen Shores, the Municipality of Kincardine and others to provide garbage, recycling and cardboard collection services.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

16. Post-employment benefits:

Other benefits:

The Municipality provides certain benefits, including retirement benefits and other post-employment benefits, to its employees. The post-employment benefit at December 31 includes the following components:

	2024	2023
Post-employment benefits	\$ 287,281	\$ 216,420
Sick leave	356,757	731,940
Workplace Safety and Insurance Board Obligations	4,952	5,242
	648,990	953,602
Unamortized actuarial loss	55,926	(324,865)
	\$ 704,916	\$ 628,737

Actuarial valuations for accounting purposes are performed using the projected benefit method, pro-rated on services. The most recent actuarial report was prepared as at December 31, 2024.

The actuarial valuation was based on a number of assumptions about future events, such as inflation rates, medical inflation rates, wage increases, employee turnover and mortality rates. The assumptions used reflect management's best estimates. The post-employment benefit liability was determined using a discount rate of 4.25% (2023 - 3.00%). For extended health care costs, a 6.00% (2023 - 5.417%) annual rate of increase was assumed. For dental costs, a 4.00% annual rate of increase was assumed.

	2024	2023
Current period benefit cost Amortization of actuarial loss	\$ 131,147 37,610	\$ 124,831 36,728
Retirement benefit expense	168,757	161,559
Interest costs	28,779	27,700
Total expense for the year	\$ 197,536	\$ 189,259

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

16. Post-employment benefits (continued):

Pension plan:

The Municipality makes contributions to the Ontario Municipal Employees Retirement Fund ("OMERS"), which is a multi-employer plan, on behalf of 140 members of its staff. This plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Employees and employers contribute jointly to the plan.

Because OMERS is a multi-employer pension plan, any pension plan surpluses or deficits are the joint responsibility of Ontario municipal organizations and their employees. As a result, the municipality does not recognize any share of the OMERS pension surplus or deficit. The amount contributed to OMERS for 2024 was \$837,630 (2023 - \$798,164) for current service. The contribution rate for 2024 was 9% to 14.6% (2023 - 9.0% to 14.6%) depending on age and level of income level.

The latest available report for the OMERS plan was December 31, 2024. At that time the plan reported a \$2.9 billion actuarial deficit (2023 - \$4.2 billion actuarial deficit), based on actuarial liabilities of \$140.8 billion (2023 - \$134.6 billion) and actuarial assets of \$137.9 billion (2023 - \$130.4 billion). Ongoing adequacy of the current contribution rates will need to be monitored and may lead to increased future funding requirements.

17. Financial instrument risk:

The fair value of the Municipality's financial instruments that are comprised of cash, taxes receivable, trade and other receivables, long-term investments, loans receivable, accounts payable and accrued liabilities, and long-term liabilities approximate their carrying value due to their short term nature and are measured at cost or amortized cost in the statement of financial position. The fair value of investments is disclosed in note 4. It is management's opinion that the municipality is not exposed to significant risk arising from these financial instruments and there have been no significant changes to these risk exposures from 2023.

(a) Credit risk:

The municipality is exposed to credit related losses through cash, accounts receivable and investments in the event of non-performance by counterparties to the financial instruments. Credit risk is minimized by dealing with reputable financial institutions. Accounts receivable of \$4,797,019 (2023 - \$4,805,424) are mainly due from governments of which \$40,286 (2023 - \$37,080) were over 90 days past due.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

17. Financial instrument risk (continued):

(b) Liquidity risk:

Liquidity risk is the risk that the Municipality will be unable to meet all cash outflow obligations as they come due. Liquidity risk is minimized by monitoring cash activities and through cash flow forecasting including a laddered investment maturity approach to match large cash outflows.

(c) Market risk:

Market risk is the risk that changes in market price such as foreign exchange rates, interest rates and other price risks will affect the annual surplus or the fair value of financial instruments. Monetary assets and liabilities denominated in foreign currencies are translated at the prevailing rates of exchange at year end. Revenue and expenses are translated at the exchange rate prevailing on the transaction date. Exchange gains and losses are included in the consolidated statement of operations. Interest rate risk is minimized through a diversified investment portfolio held in accordance with the municipality's consolidated investment policy.

18. Budget amounts:

Under Canadian generally accepted accounting principles, budget amounts are to be reported on a consolidated statement of operations and changes in net debt for comparative purposes. The 2024 budget amounts for the Corporation of the Municipality of Kincardine as approved by Council have been restated to conform to the presentation of the revenues and expenses on the consolidated statements of operations and change in net debt. The following is a reconciliation of the budget approved by Council.

	2024
Annual surplus	\$ 13,554,946
Acquisition of tangible capital assets less disposal and write-downs	(26,287,667)
Change in long-term debt to be funded in future years	(233,738)
Net transfers from reserves	12,857,898
Change in consolidated entities	108,561
	\$ -

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

19. Operations of School Boards and the County of Bruce:

During the year, the following taxation revenue was raised and remitted to the school boards and the County of Bruce:

	2024	2023
School boards County of Bruce	\$ 4,513,695 12,101,919	\$ 4,597,944 11,435,748
	\$ 16,615,614	\$ 16,033,692

20. Trust funds:

The trust funds administered by the Municipality amounting to \$691,639 have not been included in the consolidated statement of financial position nor have the operations been included in the consolidated statement of financial activities. At December 31, 2024, the trust fund balances are as follows:

	2024	2023
Cemetery Care and Maintenance	\$ 691,639	\$ 653,161

21. Contractual commitments:

- (a) On December 13, 2021, the Municipality entered into a third amending agreement with Bruce Power L.P. commencing January 1, 2022 for funding assistance for Nuclear Emergency Preparedness as a requirement of the Emergency Management and Civil Protection Act. Under this Agreement, Bruce Power will reimburse the Municipality up to \$115,847 per year (adjusted in accordance with the Consumer Price Index-Canada (CPI)) for expenses incurred to comply with this Act.
- (b) On May 21, 2014, the Municipality entered into a development agreement with SP Armow Wind Ontario LP, whereby the Municipality received a lump-sum payment of \$1,030,000 as a contribution to the refurbishment of the main runway at the municipal airport. As part of this agreement, Kincardine will receive annual lump sum payments of \$630,000 for the years 2014 to 2034, with 20% of the payment indexed for inflation. The funds are held in a community benefits reserve fund and used exclusively for municipal projects, subject to the terms and conditions of the agreement.
- (c) The Municipality of Kincardine has entered into a three-year contract extension with Bruce Area Solid Waste Association for the collection of residential garbage and commercial cardboard at an approximate cost of \$275,000 per year, beginning January 1, 2023.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

21. Contractual commitments (continued):

- (d) The Municipality of Kincardine has entered into several physician recruitment agreements and is committed to spend \$40,000 in incentive payments throughout 2025 - 2026. Two agreements were completed in 2022, and a third agreement was completed in 2024 and all commit a lump sum contribution of up to \$250,000 towards the purchase of a house in the Municipality through a non-interest-bearing loan to be repaid after 5 years of its receipt. The Municipality has also committed to \$1,800,000 as a contribution to future planned capital upgrades at the Kincardine Hospital.
- (e) The Municipality of Kincardine entered into an agreement with Municipal Support Services for the provision of full-time by-law enforcement services in Kincardine. The agreement is for a 1year term ending November 1, 2025. The contract is estimated to cost \$120,000 per year for full-time and seasonal enforcement.
- (f) The Municipality of Kincardine entered into a three-year contract extension with Phoenix AMG Inc. for the provision of management services at the Municipal Airport at an approximate cost of \$104,000 per year. The agreement expires March 31, 2025.

22. Economic dependence:

Approximately 21% (2023 - 22%) of the Municipality's taxation revenues are generated from Ontario Power Generation ("OPG"). The loss of a material amount of taxation revenue from OPG could have a material adverse effect on the operations of the municipality.

23. Segmented information:

The Corporation of the Municipality of Kincardine is a diversified municipal government institution that provides a wide range of services to its citizens such as police, fire, building inspection, sewer, water waste, collection, disposal and recycling, recreational, library and planning. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

(a) General government:

This item reports the revenues and expenses that relate to the governance and operations of the Municipality itself and cannot be directly attributed to a specific segment.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2024

23. Segmented information (continued):

(b) Protection to persons and property:

Protection is comprised of police services, fire protection, conservation authority, emergency measures, animal control and building and structural inspection. The police services work to ensure the safety and protection of the citizens and their property. The fire department is responsible to provide fire suppression service, fire prevention programs, training and education. The members of the fire department consist of volunteers. The building department provides a number of services including maintenance and enforcement of building and construction codes and review of all property development plans through its application process.

(c) Transportation:

Transportation is responsible for construction and maintenance of the Municipality's roadways, bridges, parking areas and streetlighting. Transportation also includes the management of the Kincardine Airport.

Consolidated Financial Statements of

THE CORPORATION OF THE MUNICIPALITY OF KINCARDINE Trust Funds

Year ended December 31, 2024

KPMG LLP

120 Victoria Street South Suite 600 Kitchener, ON N2G 0E1 Canada Telephone 519 747 8800 Fax 519 747 8811

INDEPENDENT AUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Corporation of the Municipality of Kincardine:

Opinion

We have audited the consolidated financial statements of the Trust Funds of The Corporation of the Municipality of Kincardine (the Entity), which comprise:

- the consolidated statement of financial position as at December 31, 2024
- the consolidated statement of continuity for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at December 31, 2024, and its consolidated results of operations for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical other responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Page 2

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Entity's internal control.

Page 3

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Trust Funds

Notes to Consolidated Financial Statements

Year ended December 31, 2024

1. Significant accounting policies:

(a) Basis of accounting:

The financial statements of The Municipality of Kincardine Trust Funds are representations of management. They have been prepared in accordance with the Canadian public sector accounting standards as recommended by the Public Sector Accounting Board ("PSAB").

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(b) Management responsibility:

The financial information of the Corporation of the Municipality of Kincardine Trust Funds are the representation of management. Precise determination of some assets and liabilities may be dependent upon future events and estimates and approximations. These estimates and approximations have been based upon the available information, using careful judgment and review.

2. Investments:

The total investments of \$nil (2023 - \$20,000) reported on the balance sheet have a market value of \$nil (2023 - \$20,000) at the end of the year.

3. Willow West Security:

In 2021, the Municipality was directed to forfeit the funds held in trust of a dissolved corporation for the Willow West Security. The balance in the trust was paid to the Office of the Public Guardian and Trustee pursuant to s.244 of the Business Corporations Act.
