

Municipality of Kincardine Huronville Quality Management System Policy

The Huronville Distribution System is owned by the Township of Huron-Kinloss.
The Operating Authority is the Municipality of Kincardine.

Together, the Owner and Operating Authority are committed to:

1. Ensuring a safe and consistent supply of high-quality drinking water
2. Complying with all applicable legislation and regulations
3. Maintaining and continually improving the Drinking Water Quality Management System
4. Promoting open and effective communication with ratepayers and community members concerning matters of drinking water quality
5. Protecting the environment through water conservation and resource stewardship
